Coalition America Contracts with INTERLINK Health Services to Offer Access to their Transplant Network

Atlanta, GA, August 9, 2004... Coalition America, Inc. (CAI), the leader in medical claim savings, has contracted with INTERLINK Health Services to offer their outcome maximized transplant network to CAI clients. INTERLINK has excellent national coverage and is an established leader in the transplant network industry.

“We are excited to offer our clients access to an organization that can provide quality services focused on outcomes, while also significantly reducing healthcare costs. Our clients may also see an impact on their stop-loss premiums due to the reduction in costs associated with transplants and other similar high cost services,” said Tina Ellex, COO, Coalition America, Inc.

“We welcome the opportunity to provide our quality monitored transplant network and specialized contracts to clients of Coalition America. This relationship will provide new services and value to Coalition America clients, while also providing INTERLINK an opportunity to expand its impact in the market place,” said John Van Dyke, Chief Executive Officer, INTERLINK Health Services.

About CAI

Coalition America, Inc. (CAI) is the leader in medical claim savings utilizing proprietary technology, PPOs and negotiations to deliver significant discounts on group health and workers' compensation medical bills. Clients interface with CAI through EDI or the Internet to reprice in-network and out-of-network medical claims. CAI has saved its clients over 600 million dollars since its inception in 1995.

Coalition America offers access to over 100 PPOs nationwide, including well known Centers of Excellence and Transplant facilities.
