

Hi-Tech Health Partners with Coalition America to Offer Streamlined Repricing and Adjudication Solution.

Hackettstown, NJ, December 16, 2004...Hi-Tech Health, Inc., a full-service, application service provider (ASP), which provides web-based claims administration systems for fully-insured and self-insured employers and other payors, is pleased to announce that it has partnered with Coalition America, Inc. (CAI) to offer a **streamlined repricing and adjudication solution**.

Hi-Tech Health has connected with CAI via HIPAA compliant EDI to allow their clients to electronically transmit in-network and out-of-network medical bills to CAI for repricing. The discounted bills are quickly returned electronically to the client for auto-adjudication.

“We believe the relationship with Coalition America will provide a very attractive solution to our clients by enabling them to streamline many of their manual repricing processes, cut back on customer service calls, and ultimately *improve their profitability*,” said Michael Carrara, Owner, Hi-Tech Health.

“We are very excited about working with Hi-Tech Health to offer this simple and efficient solution to their clients” said Sean Smith, Chairman & CEO, Coalition America, Inc. “Our new connection will dramatically improve the repricing and adjudication process for their clients, *while enabling them to discount more claims faster*,” said Smith.

About Hi-Tech Health

Hi-Tech Health has been providing customized hardware and software solutions for the Benefits Administration Industry since our inception in 1990. We are committed to creating the best solutions through our technical ingenuity and creativity, our pursuit of excellence, and our

responsiveness to our clients needs. Through a combination of in-house and partnered services, we expect to become the unquestioned market leader for web-based administrative systems.
