Acclamation Systems, Inc. Teams with Coalition America to Offer Streamlined Repricing and Adjudication Solution.

Atlanta, GA, June 17, 2004... Acclamation Systems, Inc. (ASI) a leading provider of automated benefits management software for the healthcare industry has contracted with Coalition America, Inc. (CAI), the leader in medical claim savings, to offer a state-of-the-art repricing and adjudication solution for its clients. ASI is making enhancements to its software to allow clients to electronically transmit in-network and out-of-network medical bills to CAI for repricing. The bills are quickly returned electronically to the client for auto-adjudication. The process can occur on either a pre- or post-adjudication basis to meet varying client needs.

“We welcome the opportunity associated with forming a strategic business partnership with Coalition America, Inc.” said Jim Senge, CEO, Acclamation Systems, Inc. “With the cost of Healthcare continuing to rise, employers have become exasperated looking for ways to minimize their Healthcare costs. Benefit Administrators are continually looking for ways to streamline their operation and maximize their auto-adjudication process. This partnership with Coalition America, Inc. will help Benefit Administrators and employers achieve these goals” said Senge.

“We are very excited to work with ASI to provide leading edge services to clients utilizing the LuminX system” said Scott Smith, President, Coalition America, Inc. “This solution will dramatically improve the repricing and adjudication process for payors by eliminating many of the current manual processes involved with sending claims for repricing, while also allowing them to discount more claims faster. The result is greater efficiencies making them more competitive in the market” said Smith.

About CAI

Coalition America, Inc. (CAI) is the leader in medical claim savings utilizing proprietary technology, PPOs (preferred provider organizations) and negotiations to deliver significant discounts on group health and workers’ compensation medical bills. Clients interface with CAI through HIPAA compliant EDI (electronic data interchange) or the Internet to reprice in-network and out-of-network medical claims. CAI generates significant savings through the integration of Primary PPOs, Wrap PPOs, Supplemental PPOs, and direct provider negotiations.

CAI directly services over 300 clients representing more than 12,000 businesses nationwide, offering a one-stop solution for discounting medical bills while reducing administrative costs through technology. CAI has saved its clients over 600 million dollars since its inception in 1995.
