

## **Coalition America Earns Prestigious Technology Fast 50 Award**

**Atlanta, GA, October 27, 2005.** Coalition America, Inc. (CAI), the leader in medical claim savings, has again been named to Deloitte & Touche, LLP's prestigious Technology Fast 50 annual award program for Georgia, a ranking of the 50 fastest-growing technology companies based on the percentage revenue growth over five years from 2000-2004. CAI improved its position in the Georgia Technology Fast 50 annual award program from number 44 in 2004 to 29 in 2005.

"Deloitte's Georgia Technology Fast 50 companies have shown the strength, vision and temerity to succeed in today's very competitive technology environment," said Thomas McNulty, of Deloitte & Touche LLP in Atlanta. "We applaud the successes of Coalition America and acknowledge it as one of the very few to accomplish such a fast growth rate over the past five years."

"We are very excited to be recognized again for this award," said Sean Smith, Chairman & CEO for Coalition America. "We have always considered ourselves a leader in our market space, and it is gratifying to see that we also continue to be a leader in our business community," said Smith.

## **About CAI**

Coalition America, Inc. (CAI) is the leader in medical claim savings utilizing proprietary technology, PPOs (preferred provider organizations) and negotiations to deliver significant discounts on group health and workers' compensation medical bills. Clients interface with CAI through HIPAA compliant EDI (electronic data interchange) or the Internet to reprice in-network and out-of-network medical claims. CAI generates significant savings through the integration of Primary PPOs, Wrap PPOs, Supplemental PPOs, and direct provider negotiations.

The Atlanta-based healthcare savings company directly services over 300 clients representing more than 12,000 businesses nationwide, offering a one-stop solution for discounting medical bills while reducing administrative costs through technology.

**CAI has saved its clients nearly one billion dollars since its inception in 1995.**
