

## **Coalition America Contracts with MedLink Healthcare Networks to Provide Greater Savings on Radiology Services**

**Atlanta, GA, February 23, 2005...** Coalition America, Inc. (CAI), the leader in medical claim savings, has contracted with MedLink Healthcare Networks, Inc. (MedLink) to generate **deeper savings for its clients on radiology and diagnostic services**. Medlink provides access to over 1,700 radiology and diagnostic imaging providers nationwide.

“We are excited to offer our clients access to an organization that can provide quality services, while also significantly reducing healthcare costs. Contracting with Specialty Networks like MedLink creates opportunities to drive additional savings to our clients and their employees and members,” said Scott Smith, President, Coalition America, Inc.

“We welcome the opportunity to provide access to our quality network of specialty providers. This relationship will provide new services and value to Coalition America clients, while also providing MedLink an opportunity to expand its impact in the market place,” said Maria McAfee, Executive Vice President, National Labor Services, MedLink Healthcare Services, Inc.

### **About Coalition America**

Coalition America, Inc. (CAI) is the leader in medical claim savings utilizing proprietary technology, PPOs and negotiations to deliver significant discounts on group health and workers' compensation medical bills. CAI generates significant savings on in-network

and out-of-network medical bills through the integration of Primary PPOs, Wrap PPOs, Supplemental PPOs, and direct provider negotiations.

CAI directly services over 300 clients representing more than 12,000 businesses nationwide, offering a one-stop solution for discounting medical bills while reducing administrative costs through technology. **CAI has saved its clients over \$795 million since its inception in 1995.**
